

# Online Workshop: REFRESHER AND UPDATE - "Potential to Drive" approach for clients with ASD and cognitive disabilities

Driving Well OT is partnering with Driver Rehabilitation Institute to bring you a 2 session online workshop for **OT Driver Assessors and specialised driving instructors** to refresh your knowledge and skills in using the "Potential to Drive" approach to work with clients with an autism spectrum disorder and/or executive function problems (eg mild intellectual impairment, stroke, ABI), on their goal to learn to / return to driving.

**When: Wednesday 6th September AND Friday 8th September,  
Time: 9am to 12pm (6 hours total)**

Speakers: Dr Miriam Monahan, OTD, OTR/L, CDRS, CDI, [www.driverrehabinstitute.org](http://www.driverrehabinstitute.org)  
Jenny Gribbin, OTDA, Director Driving Well Occupational Therapy

Cost: \$349 | Registrations close Monday 4th September 2023 | Maximum 30 Participants

### Overall Learning Objectives:

- 1.Refresh / overview of the "potential to drive" approach in determining readiness for driving
- 2.Understand sensory profiles screening and application to driving assessment
- 3.Use tools including Drive Focus app and facilitated passenger activities to support development of driving skills
- 4.Embed the "Potential to Drive" approach into your practice

### Session 1 - Wednesday 6th September 2023 - 3 hours - 9am to 12pm

- Potential to drive assessment approach - refresher on assessment process and techniques
- Overview of sensory processing: screening client's sensory profile, adapting assessment and training methods to support learning for various sensory profiles

### Session 2 - Friday 8th September 2023 - 3 hours - 9am to 12pm

- Potential to drive assessment approach - refresher on teaching/training/intervention techniques
- Tools to support development of driving skills
- Refresher of the "Potential to Drive" assessment report and addressing R&N
- Applying the potential to drive assessment process and training tools (eg Drive Focus app and Get Driving online therapy toolkit) in the Australian NDIS context

### The Details:

Online Workshop will be delivered by Zoom. Sessions will NOT be recorded.  
Participants must attend BOTH sessions.  
Payment is required when registering to secure your spot. Maximum 30 participants  
Delegate preference will be given to previous attendees of the full Potential to Drive training (2 x four hour sessions).  
*Note: Course outline proposed above may be subject to adjustments.*
