

In Person Workshop: Implementing the "Potential to Drive" approach for learner and pre-learner drivers in Australia

Driving Well OT is partnering with OT Services Group in Perth to bring the first ever **LIVE and FACE TO FACE** workshop for **OT Driver Assessors and specialised driving instructors and generalist OTs!**

This 4 hour workshop is a follow-up to the online Potential to Drive training and readiness to drive training.

When: Wednesday 12th June 2024

Time: 9am to 1pm, followed by a networking lunch (1 - 2pm)

Where: OT Services Group, 3 Turner St, Bentley, Perth

Cost: \$200 (incl GST)

Registrations close Friday 31st May | Maximum 30 participants

Speaker: Jenny Gribbin, Director / OT Driver Assessor, Driving Well Occupational Therapy

✓ Who is this workshop for?

- OT driver assessors and driving instructors who have completed the live online two-part (8 hours) potential to drive training with Jenny Gribbin and Dr Miriam Monahan (USA)
- OT driver assessors and driving instructors who have not yet completed the PTD online training but are interested in learning more.
- Generalist OTs working with young adults regarding "readiness to drive" are welcome to attend part 2 (email Jenny for a discount)

✓ Overall Learning Objectives:

Part 1:

- Refresh your knowledge and application of the researched challenges that drivers with neurodiversity experience
- Task analysis and scaffolding of driving training techniques
- Workshop to Practice: how to implement this approach in your practice / business

Part 2:

- Reviewing lifeskills and factors regarding readiness to pursue learning to drive
- Providing a driving therapy program for learner and pre-learner drivers
- General Q&A and troubleshooting

Note: Course outline proposed above may be subject to adjustments.
