

Partnership Prospectus

National Vehicle Modifications & Driving Solutions Conference

For OTs and driver-trained OTs

16th and 17th September 2026

Stamford Plaza, Brisbane

Industry Partnership Prospectus

About the Conference

Driving Well Occupational Therapy is delighted to be hosting a **National Vehicle Modifications & Driving Solutions Conference** in Brisbane in September 2026.

This event is a premium, practice-focused event designed to elevate the standard of vehicle modification and driving solution prescription for occupational therapists across Australia.

It is a clinically rigorous, hands-on, collaborative conference where occupational therapists engage directly with:

- Modified vehicles
- Access and mobility solutions
- Driver controls
- Engineers and installers
- Real case studies
- Australian standards and compliance frameworks

Delegates will leave with deeper clinical reasoning skills, practical assessment confidence, and stronger industry collaboration pathways.

This conference is designed and led by driving and vehicle modification OTs — for OTs.

10 years of clinical leadership

In November 2026, Driving Well Occupational Therapy marks 10 years of industry and clinical contribution.

From humble beginnings — conducting one to two assessments per fortnight and working from Jenny's kitchen table — Driving Well has grown into a nationally recognised leader in driving assessment and vehicle modification practice.

Jenny Gribbin's industry contributions include:

- Convenor, OT Australia QLD/NT Driving Interest Group
- Member, OT Australia National Driving Taskforce
- Contributor to Austroads initiatives
- Member, TMR Medical Conditions Working Group
- Winner, Australian Road Safety Foundation Technology Award (2021)
- Finalist, Australian Disability Service Awards – Best Assistive Technology Product (2022)
- Co-hosted the Drive-Able podcast (2024)
- Inaugural OTA Oration Award and Keynote Delivery – OT Exchange Perth (2024)
- Co-Convenor, OT Exchange Conference Brisbane (June 2026)

This conference represents a decade of leadership and a forward step in raising national standards.

Vision

At Driving Well Occupational Therapy our Vision is to be a leader in occupational therapy driving assessment and rehabilitation service provision in South East Queensland, and to educate occupational therapists across Australia. We are passionate about helping people with driving and vehicle access, dedicated to continuous learning and improvement. Driving Well Occupational Therapy aspires to be a trusted brand for consumers and stakeholders in the driving and disability space.

Mission

Driving Well Occupational Therapy's purpose is to provide clinical excellence in occupational therapy driving assessments and vehicle modifications for people with medical conditions and disabilities in the greater Brisbane area. We thrive on supporting our clients to maintain, return to, or retire from driving, and/or access a vehicle in a safe, fair and compassionate way. We are passionate about safety on the road and that our clients have opportunities to access the community, so they can participate and do the things they love.

OUR IMPACT

National Vehicle Modifications & Driving Solutions Conference
16th and 17th September 2026, Stamford Plaza Brisbane

Why this conference matters

Vehicle modification prescription is high-stakes work.

The wrong solution impacts:

- Safety
- Compliance
- Funding approvals
- Client independence
- Long-term participation

Many OTs entering this space defer heavily to modifiers due to limited structured exposure to real-world equipment and vehicle environments.

Experienced OTs operate differently — engaging in collaborative reasoning, attending trials onsite, working alongside installers and engineers, and understanding compatibility constraints early in the process.

This conference bridges that gap.

It creates structured opportunities for:

- Clinical reasoning development
- Hands-on vehicle trials
- Transparent industry collaboration
- Ethical, competitive market practice

The Audience

Expected attendance:
50 occupational therapists

Attendees include:

- Driver-trained OTs
- OTs new to vehicle modifications
- Senior clinicians in large allied health practices
- Independent OT providers
- OTs working within NDIS, NIISQ, TAC, iCare and other schemes

These are professionals who:

- Prescribe vehicle modifications
- Write funding applications
- Refer directly to modifiers
- Influence client vehicle purchasing decisions
- Attend on-site trials with suppliers
- Shape long-term industry relationships

This is a highly targeted audience of decision-makers.

Event Highlights

Clinical and technical content for clinicians

Time with vehicle modifiers to touch and feel modifications

Rotations to prescribe modifications for various case studies

Networking opportunities overlooking the Brisbane River

Practical Conference Structure

- 10+ modified vehicles onsite
- Five vehicles displayed in premium driveway entrance (upstairs: three undercover, two near cover)
- Five vehicles in undercover carpark (downstairs - height clearance 2.1m)
- Structured clinical case rotations
- OT-led program directing equipment use and trial scenarios
- No sales presentations
- High-engagement, small-group learning
- 50 delegates (occupational therapists and driver-trained occupational therapists) from across Australia

Our sponsorship philosophy

Vehicle modifiers, engineers and suppliers are a critical part of the prescription process.

Occupational therapists rely on industry partners to:

- Assess compatibility between person, equipment and vehicle
- Trial and refine modification options
- Ensure safe installation and compliance
- Collaborate with mechanical engineers and certifiers

At the same time, industry relies on OTs to:

- Conduct appropriate functional assessments
- Prescribe safely and ethically
- Bring informed customers into the modification process

This conference is built on:

- Clinical integrity
- Transparent collaboration
- Competitive and ethical market practice

Sponsors are supporting professional education and participating in structured, practical clinical rotations that elevate industry standards.

Sponsorship Opportunities

Platinum Partner

\$10,000 +
GST
(1 available)

Be our Lead Industry Partner

Includes:

- Premium vehicle display in hotel driveway entrance (high visibility)
- Three vehicle display spaces (including one large vehicle upstairs)
- Prominent logo placement:
 - Conference webpage
 - Delegate workbook
 - Conference slides
 - Media wall
- Verbal acknowledgement at opening and close
- Dedicated pre-event social media feature
- Post-event recognition post
- Two supplier catering packages included
- Priority allocation in vehicle rotation sessions

Gold Partner

\$4,500 + GST
(4 available)

Includes:

- Premium vehicle display position (in hotel driveway driveway or priority undercover allocation - dependent on size of vehicle)
- Logo on webpage, slides, workbook and media wall
- Social media inclusion
- Verbal acknowledgement
- One supplier catering package included
- Participation in structured vehicle rotations

**EARLY BIRD
DISCOUNT**

Early bird pricing for Gold and Silver partners closes 17th June

Sponsorship Opportunities

Silver Partner

\$2,500 + GST
(8 available)

Early bird pricing for Gold and Silver partners closes 17th June

Suitable for:

- Wheelchair and equipment suppliers

Includes:

- Equipment demonstration
- Logo on webpage, slides and media wall
- Participation in practical rotation sessions
- Group social media acknowledgement

Supplier catering additional at \$92 per day per person.

Support Partner

\$1,200 + GST

Suitable for:

- Seating and postural support providers
- Mechanical engineering
- Insurers (NIISQ, TAC, iCare etc.)
- OT companies and allied organisations
- Government and transport organisations/ supporters

Includes:

- Logo on conference webpage
- Social media group acknowledgement
- Participation in practical sessions (where relevant)

Supplier catering additional at \$92 per day per person

Sponsorship Opportunities

1. Space will be allocated on a 'first come' basis, in accordance with sponsorship levels and vehicle sizing.
2. Upon receipt of signed booking form, DWOT will confirm entitlements in writing and forward acknowledgement of receipt, together with a tax invoice for the deposit.
3. The **deposit will be 50% of the full amount, and payment is due 14 days from date of invoice.** After this time, the space will be available for sale to another company.
4. The **balance payment is payable by 16 July 2026.** No exhibitor shall occupy allocated exhibition space until all monies owing to DWOT are paid in full.
5. All monies are payable in Australian dollars by bank transfer.
6. If you miss the payment date, any time-dependent discounts will be forfeited, i.e. you will be billed at the next highest level (early bird rate to standard).
7. All payments must include 10% Goods and Services Tax component.
8. Acceptance of sponsorship and exhibition offers is at the discretion of DWOT.
9. All inclusions in conference printed materials are subject to strict printing deadlines. DWOT reserves the right to approve all branding provided by sponsors and exhibitors.
10. DWOT agrees to promote the exhibition partners to delegates at the Conference as outlined in Sponsorship opportunities.
11. Sponsors / Exhibitors are not permitted to assign, sublet or apportion the whole or any part of their package / booked space unless prior written consent from DWOT is provided.
12. Privacy Statement: In order to assist with your participation, your organisation and contact details may be shared with suppliers and contractors, and be included in participant lists. If you object to your details being shared, please inform DWOT via jenny@drivingwell.com.au
13. Any event that conflicts with National Vehicle Modifications & Driving Solutions Conference is not permitted without prior approval from DWOT. All functions and events that coincide with the Conference must seek approval through DWOT.
14. All exhibitors must produce a valid Insurance Certificate of Currency for the period of the exhibition and this must be submitted to the Conference Office by 16 July 2026.
15. DWOT will determine the floor layout and vehicle allocation.
16. The duration of the exhibition and program is drafted, but subject to change.
17. OTA agrees to provide the exhibitor with briefing notes, including final floor plan and details regarding move-in and move-out arrangements prior to the exhibition.
18. DWOT reserves the right to refuse any person entry to the exhibition (including exhibitor staff, representatives, visitors, contractors or agents) if they do not hold a Conference name badge.
19. DWOT will specify conditions relating to the movement of goods and displays prior to, during and after the exhibition.
20. DWOT will not be liable and makes no guarantee of the number of visitors to the exhibition. The Conference Office will not be accountable for the level of commercial activity generated.
21. The exhibitor must comply with all directions and requests issued by DWOT.
22. The exhibitor will not display exhibits in such a manner as to obstruct neighbouring exhibitors. This includes blocking light, projecting into aisles or neighbouring spaces, or using amplified sound.
23. The exhibitor agrees to adhere to all Conference venue rules and regulations.
24. Discounts for unused entitlements will not be provided.
25. The exhibitor will provide DWOT with information regarding proposed vehicle and mods set-up.
26. Sponsor and exhibitor registrations: National Vehicle Modifications & Driving Solutions Conference is an integrated event, and all staff attending the booth must be registered. Where complimentary registrations are included in the sponsorship or exhibition package, a registration form must still be completed with the details of the attending delegate.
